Chanthini Ramachandran

Junior Frontend Developer

✉ shanthuvijra@gmail.com   ☎ +65 – 9450 4240   📍 SINGAPORE

 GitHub   🌐 Portfolio

Detail-oriented graduate with a strong foundation in front-end development, specializing in React.js and Material UI. Proven track record in creating dynamic and secure web applications. Completed a Web Development Bootcamp, showcasing commitment to staying current. Previous role as a Service Desk Associate at HCL Singapore honed efficient problem-solving skills. Eager to contribute coding expertise, innovative solutions, and a collaborative spirit to an entry-level Front-end Developer position.
